**Speaker:** Gerald Tebben  
**Topics:** Coins on TV

## September presentation

Lost coins, stolen coins, counterfeit coins – they all turn up on television, grist for murder, mayhem and comic misunderstandings.

Coins make for great drama. They're ubiquitous, hideable, portable, liquid and potentially valuable. A plot can twist on a tiny bit of easily lost, easily hidden metal no bigger than a fingernail.

Collectors notice coins on television, and everyone has a favorite story from Sheriff Andy Taylor's famous backwards buffalo to Hawaii Five-0's \$100,000 nickel. -- **Gerry**

## THANK YOU CONA MEMBERS!

Once again, I am completely amazed at the work that you do to make the Ohio State Coin Show a success. Some of the dealer comments were "this is the best organized show we do all year," "we do a lot of shows and this is by far the one where we are the best taken care of," and "the Green Hats are waiting at the door to welcome us in and ready to help us pack up."

There were many others as well but those came to mind first. On Thursday, 25 of you signed in to work and 3 more attended. On Friday, there were 30 workers and 4 more attendees. Saturday 27 of you worked and 2 more attended. That is wonderful participation. The raffle ticket sales were supported by 49 CONA members – Thank You! We welcomed approximately 380 public guests - 250 on Friday and 130 on Saturday. That is all the numbers that I have ready so far.

I would like to give a special thank you to Dan Carroll, my incredible co-chair and right brain, Steve Rayburn who was everywhere all the time, Geoff Gruendl who worked long and hard on the raffle, Jim Belt and Loren Rittenhouse who welcomed the dealers and Early Birds, Harold Spencer who lived at the Registration Table, Bruce Smith for remembering our deceased members, and Bruce Neighbor who took over the chairmanship of the Treasure Hunt. A special thank you to Diane Heberline for her work with the kids. We could not have done this without the CONA family of "Green Hats." -- **Patty**

## Secretary's report

President Spence Sunderland called the meeting to order at 7 P.M., asking for a moment of silence for recently deceased club members, Don Coffman and

Joanne Percy. Sergeant-at-Arms Roger Serrot gave the attendance figure at 34 members plus 1 guest, Chuck Jackson. Chuck stated that he collects "a little bit of everything" and that he wanted to be around a group that he could learn from. "Acting" Secretary, Chris Palmer, read the minutes from both the June & July meetings, and they were accepted "as read."

**TREASURER'S REPORT** (Jim Huffman): Our starting bank balance (as of 7/1/21) was \$43,326.17. Jim stated that he has made deposits since then but that they would not show until next month's report. He also issued checks of \$24.00 to Oakstone & \$74.98 to Garlene Smithson, which left the ending bank balance (as of 7/31/21) at \$43,227.19. Petty cash had a starting balance of \$596.82, and with increases of \$18.50 from the June auction & \$62.00 from the July 50-50, the total petty cash amount came to \$677.32. After payments of \$20.00 for door prizes & \$5.38 for engraving, the ending petty cash balance stood at \$651.94.

**PRESIDENT'S REPORT** (Spence Sunderland): Spence acknowledged that he was glad to be back after his recent surgery, and he again voiced the need

for someone to take over the Secretary position. He also gave thanks to everyone involved with the picnic, which was a lot of fun & took in over \$200 in the auction.

## Columbus car dealer's nickel sells well

### Top collection sells at Stack's Bowers

by Steve Roach, Coin World Editor-at-Large

The George "Buddy" Byers collection of Jefferson 5-cent coins is one of the more noteworthy collections of the popular series to come to market in recent years.

The top lot in the Aug. 16 auction by Stack's Bowers Galleries was a 1969-D Jefferson 5-cent coin graded Mint State 65 full steps by Professional Coin Grading Service that sold for a massive \$33,600. The issue is common in nearly all grades, except with full steps on Monticello, defined by PCGS as having five separated steps (lines) at the base.

The offered coin is the sole 1969-D "FS" Jefferson 5-cent coin certified at PCGS. The cataloger observed "brilliant platinum-white complexion and pearlescent luster on each side," adding, "The surfaces are comprehensively frosted, with faint prooflike reflectivity apparent in the fields."

The master hub of the Reverse of 1940 had been used to make dies for decades and the intricate design elements, like steps, had progressively weakened. "While modifications to improve definition were made to

the master hub in time for the 1968 production run, these efforts were largely in vain and the hub was retired in 1970," the auctioneer added. The 1969-D 5-cent coin in the auction improved on the \$30,550 that it realized when offered at a 2016 auction. ©
